

**143.** To facilitate the preparation of estimates for periodical repairs, a standard measurement of book may be kept in the office of each Executive Engineer, showing the detailed measurements of each kind of work which is usually subject to renewal in each work under his charge — vide Paragraph 295, A.P. Public Works Accounts Code. Standard measurement book should, however, be maintained properly in the case of repairs to floating plant which require periodical repairs such as painting and tarring.
