IRRIGATION & CAD (PROJECTS WING COD) DEPARTMENT

G.O. Ms. No. 246

Date. 18-2-1975.

1. From the C.E. (MI & Genl) Lr. No. 73, dt. 18-2-75.
2. From the C.E. (MI & Genl) Lr. No. 69-7, dt. 15-7-75.
3. From the A.G (AP) Hyd., Lr. No. A/1-1-311, dt. 21-10-1975.

ORDER:-

The question whether the Chief Engineers have to sanction excess over revised estimates has been raised. It has been contended by some that there is no rule precluding the Chief Engineers from according technical sanction over the revised administrative approval. The Chief Engineer (major Irrgn. & C1.) has sought clear interpretation of the powers under para 415 © of APWD code.

2. The Government have carefully examined the issue. It is clarified that the powers of the Chief Engineers under paras 415 (c) and 416 (c) of the APWD code, as enhanced from time to time, relate to passing excesses over the original estimate only and not over revised estimates. It is also clarified that the powers delegated to the Chief Engineers for according technical sanction are also in relation to original estimates of administrative approval.

3. This memo issues with the concurrence of the Finance & Planning department vide their U.O. No. 306/149-Exp.PW 78-1, dt. 6-2-78.
