The Andhra Pradesh Public Employment (Organisation of Local Cadres and Regulation of Direct Recruitment) Order , 1975 (Presidential Order) was re-published vide G.O. 1st cited and came into force from 18-10-1975. For effective implementation of the Presidential Order, orders and instructions were issued from time to time clarifying the course of action to be taken. Government noticed certain deficiencies in the implementation of the Presidential Order and orders were issued for rectification of such deficiencies, vide the G.O. 4th cited.

2. Government considered it necessary to conduct a detailed study on the implementation of the G.O. Ms. No. 610 in terms of the Presidential Order, and appointed Sri J.M. Girglani, IAS., (Retd.), One Man Commission (SPF) vide G.O. 5th cited, to suggest measures for effective implementation of G.O. Ms. No. 610, G.A. 3. The Government hereby direct that the first level Gazetted posts as on 18-10-1975 in all the Departments should be incorporated into the 3rd Schedule of the Presidential Order.
4. The Government also direct that even after Gazetting of a post, subsequent to coming into effect of Presidential Order, the original character of reservation as provided in the Presidential Order will be retained. This is to ensure the immutable character of the post as on 18-10-1975, which means that the reservation to the local candidates in the category of direct recruitment will be 70% and same shall be maintained throughout

irrespective of the Gazetting having taken place on any date subsequent to 1975. The Government, however, depending on the needs and exigencies of the running of administration will continue to notify certain non-gazetted posts as Gazetted. But, this change in the status of the post from Non-Gazetted to a Gazetted post will not affect the reservation for local candidates and same should continue to be 70% in case of Direct recruitments to the Zonal posts in such categories.

5. All the Departments are directed to identify such posts which have been Gazetted after 1975 and take action accordingly to review the appointments and take corrective action for maintaining the percentage of local candidates at the above defined level.
