Memo.No.12334/Maj.Irrgn.X/2005-1

DL30.03.2005

Sub:- Lift Irrigation Schemes – Mobilisation Advance – enhancement to
10% - Reg.

Ref:- From the Engineer-in-Chief(Irrgn), Hyderabad, Lr.No.DCB.I/Tender
Cell/2005, Dt.16.03.2005.

The Engineer-in-Chief (Irrgn) has submitted proposals in the reference cited to consider payment of Mobilisation Advance for L.I.Schemes at 10% of the contract value as the work involves large investment in purchase of large quantity of steel for pipelines/(pressure mains) and payment of advances for pumps

Government after careful consideration of the proposals hereby accord permission to all the Chief Engineers for payment of 10% mobilization advance on the contract values for all the Lift Irrigation Schemes instead of 2 ½ to 5 % stipulated in the agreements concluded. However, this mobilization advance should be released against Bank Guarantee and carries the prescribed interest etc., clauses applicable as per agreements.
