As the instructions came into force w.e.f. 02-03-2016, all the PAO/APAOs are instructed to note that,

- 1) These rates came into force w.e.f. 02-03-2016. The Quantity of sand utilized on a particular work after that date has to be worked out and the difference cost on sand has to be deducted from the bills.
- 2) The overhead charges and contractors profit provided extra also to be deducted accordingly.
- 3) The deduction portion is applicable for all the works wherever sand is being utilized, and a statement of recovery in detail shall be enclosed by the DDOs for all the bills presented by them. This may be watched by the PAO/APAOs while admitting the bills.
- 4) For new works sanctioned after 02-03-2016, the data may be verified for its conformity with the new rates, and estimates may be called for revision wherever necessary.
- 5) The JDWAs may make a note of this point during their review of estimates and agreements.
- 6) The PAO/APAOs may circulate these instructions among all the DDOs with a request to submit the bills with revised sand rates for all the works wherever sand is utilized after 02-03-2016.
